

MISHICOT FFA OFFICER SELECTION PROCESS 2014 -2015

The Mishicot FFA Officer selection process has been put together to ensure that those FFA members who truly desire to develop premier leadership, personal growth & career success through agricultural education & the FFA will represent our chapter.

The officer selection process will consist of 3 parts- nomination forms, application form, and member voting.

***Officer Contract /
Nomination form-***

Officer expectations and commitments are clearly stated on the nomination form, By signing this form, you are telling the advisor & chapter that you will accept **ALL** of the responsibilities and duties of an FFA officer, and understand the consequences of not meeting them. ***DUE APRIL 1st at 4:00 p.m.***

***Officer Application
form-***

This gives you a chance to express your backgrounds, experiences, ideas and goals for the upcoming year. Senior FFA members and Alumni representatives will be reviewing your applications and ranking the applications. Please be professional and detailed in your application.

Member Voting-

The FFA chapter will vote for the top six candidates. Voting for officers will take place on ***April 21st at the April FFA Meeting.*** All candidates and members should attend.

HOW VOTES ARE TOTALED

Officers will be elected using a SUM OF THE RANKS. Students will earn 1 point for being ranked #1, 2 points for #2, etc. Students are ranked in three areas: senior application rank, alumni application rank and member vote. The three ranks will be totaled and the individuals with the lowest scores will represent our chapter as officers next year.
